

**Harris County Toll Road Authority
Maintenance Limit Map**

This map illustrates the maintenance limits for the Harris County Toll Road Authority (HCTA) across Harris County, Texas, and its surrounding areas. The map shows the HCTA's jurisdiction, which includes major toll roads and their interchanges, as well as the locations of various toll plazas and service areas. Key features include:

- Toll Roads and Interchanges:** Major toll roads such as I-10, I-25, I-45, I-59, and I-67 are shown, along with their respective interchanges and toll plazas.
- Toll Plazas:** Locations of toll plazas are marked, including the Sam Houston Tollway North Plaza, Sam Houston Tollway South Plaza, Katy Managed Lanes Plaza 1, Katy Managed Lanes Plaza 2, Katy Managed Lanes Plaza 3, and the Fort Bend Toll Road Highway 90A Plaza.
- Service Areas and Interchanges:** The map identifies several service areas and interchanges, such as the George Bush Intercontinental Airport, Ellington Field, and the William P. Hobby Airport.
- Geographic Context:** The map shows the HCTA's jurisdiction in relation to neighboring counties: Montgomery County to the north, Liberty County to the east, Brazoria County to the south, and Fort Bend County to the west.
- Map Features:** A compass rose in the bottom left corner indicates North (N), South (S), East (E), and West (W). A scale bar shows distances in miles (0, 2.5, 5).

The map is a detailed representation of the HCTA's maintenance limits, providing a clear overview of the toll roads and service areas within Harris County and its surrounding regions.

The map illustrates the proposed alignment of the 249th Avenue corridor. It starts at Highway 249 (marked with a '249' shield) and runs southeast through a residential area. Key streets shown include Canyon Creek, Castle, Vero Life, Western Hills, and the 249th Avenue bridge. The alignment is highlighted in a thick orange line, with a green line indicating a specific segment. The map also shows various landmarks and features like 'Canyon Creek', 'Castle', 'Vero Life', 'Western Hills', and '249th Avenue bridge'.

A detailed map of the Canyon Rock area. Canyon Rock is highlighted in green and is the central focus. Major roads shown include Highway 100A running vertically through the center, Highway 100 running horizontally across the middle, and Highway 100B running horizontally at the bottom. Other roads include Deluxbury, Antell, Airport, Main, Spruce, Merritt, and Gold Fire. Landmarks include Canyon Rock, Canyon Rock Lodge, Canyon Rock Inn, Canyon Rock Motel, Canyon Rock Hotel, Canyon Rock Restaurant, Canyon Rock Bar, Canyon Rock Casino, Canyon Rock Golf Course, Canyon Rock Park, Canyon Rock Cemetery, Canyon Rock Church, Canyon Rock School, Canyon Rock Post Office, Canyon Rock Fire Station, Canyon Rock Police Station, Canyon Rock Sheriff's Office, Canyon Rock Jail, Canyon Rock Prison, Canyon Rock Hospital, Canyon Rock Clinic, Canyon Rock Pharmacy, Canyon Rock Grocery, Canyon Rock Hardware, Canyon Rock Auto, Canyon Rock Gas, Canyon Rock Food, Canyon Rock Drink, Canyon Rock Entertainment, Canyon Rock Recreation, Canyon Rock Sports, Canyon Rock Fitness, Canyon Rock Health, Canyon Rock Beauty, Canyon Rock Fashion, Canyon Rock Home, Canyon Rock Garden, Canyon Rock Landscaping, Canyon Rock Pest Control, Canyon Rock Security, Canyon Rock Insurance, Canyon Rock Financial, Canyon Rock Real Estate, Canyon Rock Legal, Canyon Rock Medical, Canyon Rock Veterinary, Canyon Rock Dental, Canyon Rock Optician, Canyon Rock Hair Salon, Canyon Rock Nail Salon, Canyon Rock Spa, Canyon Rock Massage, Canyon Rock Yoga, Canyon Rock Pilates, Canyon Rock Tai Chi, Canyon Rock Martial Arts, Canyon Rock Judo, Canyon Rock Karate, Canyon Rock Taekwondo, Canyon Rock Jujitsu, Canyon Rock Wrestling, Canyon Rock Boxing, Canyon Rock MMA, Canyon Rock BJJ, Canyon Rock Judo, Canyon Rock Karate, Canyon Rock Taekwondo, Canyon Rock Jujitsu, Canyon Rock Wrestling, Canyon Rock Boxing, Canyon Rock MMA, Canyon Rock BJJ. Surrounding communities include Hager (Lee) Park, Eppingham, Fortenelle, Fremont, Fairwell, Southview, Gretna, Canyon Rock, Canyon Rock Lodge, Canyon Rock Inn, Canyon Rock Motel, Canyon Rock Hotel, Canyon Rock Restaurant, Canyon Rock Bar, Canyon Rock Casino, Canyon Rock Golf Course, Canyon Rock Park, Canyon Rock Cemetery, Canyon Rock Church, Canyon Rock School, Canyon Rock Post Office, Canyon Rock Fire Station, Canyon Rock Police Station, Canyon Rock Sheriff's Office, Canyon Rock Jail, Canyon Rock Prison, Canyon Rock Hospital, Canyon Rock Clinic, Canyon Rock Pharmacy, Canyon Rock Grocery, Canyon Rock Hardware, Canyon Rock Auto, Canyon Rock Gas, Canyon Rock Food, Canyon Rock Drink, Canyon Rock Entertainment, Canyon Rock Recreation, Canyon Rock Sports, Canyon Rock Fitness, Canyon Rock Health, Canyon Rock Beauty, Canyon Rock Fashion, Canyon Rock Home, Canyon Rock Garden, Canyon Rock Landscaping, Canyon Rock Pest Control, Canyon Rock Security, Canyon Rock Insurance, Canyon Rock Financial, Canyon Rock Real Estate, Canyon Rock Legal, Canyon Rock Medical, Canyon Rock Veterinary, Canyon Rock Dental, Canyon Rock Optician, Canyon Rock Hair Salon, Canyon Rock Nail Salon, Canyon Rock Spa, Canyon Rock Massage, Canyon Rock Yoga, Canyon Rock Pilates, Canyon Rock Tai Chi, Canyon Rock Martial Arts, Canyon Rock Judo, Canyon Rock Karate, Canyon Rock Taekwondo, Canyon Rock Jujitsu, Canyon Rock Wrestling, Canyon Rock Boxing, Canyon Rock MMA, Canyon Rock BJJ. The map also shows various other locations like Spruce Manor, Merritt, Gold Fire, and Canyon Rock Park.

The map shows the proposed SR 99 alignment (orange line) starting from the south near the San Joaquin Hills and heading north through various communities like SAGELEEN, METRO ACECA, and KURLAND, eventually connecting to the SR 99 corridor near the San Joaquin Hills. The map includes labels for various roads, communities, and landmarks, as well as a legend indicating the alignment and the SR 99 corridor.

[illegible]

The map shows the proposed route for the York to Scarborough Expressway, highlighted in red and yellow. The route starts near Crossmoor and runs north towards York. Key locations marked on the map include Easingwold, Thirsk, and York. Major roads shown are the A166, A103, and A64. A yellow callout box indicates the 'Begin End of express route from Crossmoor to York'. The map also shows various towns and villages, including Easingwold, Thirsk, and York.

[illegible]

This map illustrates the proposed alignment for the Orange Channel, starting from the George Bush Intercontinental Airport and extending south towards the I-10 corridor. The alignment is shown as a green line with a blue centerline, curving around the eastern side of the airport. Key landmarks and areas labeled include the airport itself, various surrounding communities like Rankin, Green Hill, and Greens, and major roads such as I-10, I-610, and I-270. A callout indicates the 'Begin End on west side of Orange Channel (P142-05-05)' near the intersection of I-10 and I-610. The map also shows the proximity to the World Houston Convention Center and the I-10 corridor.

A map of the study area showing the intersection of Highway 45 and Highway 101. The map includes labels for Taylor, Crossgate, Crossbridge, Pinecreek Point, Windy Orchard, and Wyfield Wysoft. A red line indicates the proposed project alignment, which follows Highway 45 and then curves to follow Highway 101. A blue line indicates the existing alignment of Highway 45. The map also shows a river and several lakes.

A map of the Westpark Pump Station area. The main feature is the 6226 1st Southwest Freeway, shown as a thick orange line. A green line runs parallel to it, and a purple line branches off to the west. A blue circle marks the location of the Pump Station. Surrounding streets include Skyline, Beverly Hills, Glendora, Zephyrus, Jean Van Nuys, Westpark, Glenmont, Elmhurst, Westwood, Gulton, Hancock, Hill, and Harwin. A north arrow is located in the top right corner.
